**Formal Amendment Dated 3, March 2001****OFFICIAL**

Pls change the title to read as "Protection of software again against unauthorised use".

Pls amend sheet 11 by using the replacement sheet submitted herewith. In the replacement sheet 11, the last paragraph "It should be noted ... the present invention." is newly inserted and the rest are original filed.

In the original filed specification, P.1, "Field of the Invention", line 1, pls delete "commercial", line 2, pls delete "such".

In the original filed specification, P.2, "Summary of the Invention", second paragraph, last line, pls insert "which may be purchased commercial computer software" after "products". This is no new matter and is consistent with original filed claim 7, line 3.

In the original filed specification, P.5, line 6, pls change "use" to "user".

Respectfully submitted,

Ho Keung, Tse.
